

Omleidingsroute richting Beatrixhaven en A2 / A79

The map shows a blue diversion route starting from the A2/A79 interchange, heading north through Weert, then west through Meerssenhoven and Fregatweg, and finally south through Beatrixhaven. A red line indicates the closed section of Nieuwe Limmelderweg between the A2 interchange and Beatrixhaven. A dashed black line shows the route from the closed section to the intersection of Fregatweg and Limmelderweg.

Nieuwe Limmelderweg tussen afrit A2 en Beatrixhaven afgesloten op:
Dinsdag 30 september 07.00 uur tot en met
donderdag 2 oktober 17.00 uur.

Reservedatum:
Dinsdag 7 oktober 06.00-17.00 uur

Verkeer richting Limmelderweg tijdens werkzaamheden altijd mogelijk richting rotonde Fregatweg en vice versa.

This detailed map shows the intersection of Fregatweg and Limmelderweg. A red shaded area labeled 'Werkvak' (work zone) is located on Limmelderweg. Blue arrows indicate that traffic can continue in both directions (towards and away from the roundabout) during the work period.
